WHAT'S DIFFERENT ABOUT THE ACADEMY?

For starters, your instructor will not be merely lecturing on the theories of essay test writing. Instead, you will be engaged in actual test writing, and your writing style will be personally evaluated and specific adjustments will be recommended to remedy any deficiencies now, before the exam.

Our repeat bar takers have achieved extraordinary passing scores on the Uniform Bar Examination of 289, 280, 276, 272, 270, and 266; all scores which qualify for multiple jurisdictions.

The Academy knows that your investment in yourself will pay off. Now is the time to acquire fundamentally sound essay writing skills to complement your acquired legal knowledge. Here are four additional reasons why you should attend The Academy.

First, your writing style will be evaluated so that any deficiencies can be corrected before the bar exam. The day of the bar exam is not the proper time, nor is the bar exam the proper forum to initially attempt to write a perfect or passing essay answer.

Second, you learn how to avoid the most common mistakes made by bar examinees when writing bar essay answers.

Third, you will learn a system to handle any legal essay question with ease, and write your answers in a clear, concise lawyer-like fashion.

Fourth, those who have engaged in sufficient memorization of the law and then implemented the methods taught, have passed their bar exams. Students have been successful on bar exams of Alabama, Arkansas, Arizona, California, Colorado, Georgia, New Jersey, New York, North Carolina, Tennessee, and Texas.
